### How Gov. Wolf's Proposed 2015-16 Budget Would Impact Rep. Gerald Mullery's District

After four years of austerity budgets that made deep cuts to public services, public schools are struggling, property taxes are rising, and Pennsylvania remains near the bottom of state rankings in job growth since 2011. Gov. Wolf has proposed a budget that reinvests in our future by restoring funding for education from pre-K to college and delivering property tax relief to homeowners.

#### School Districts in Rep. Gerald Mullery's Legislative District Would Receive

- \$6 million in new funding
- 238 new Pre-K slots
- \$1 million in savings from standardized payments to cyber charters

#### Meanwhile, Homeowners Would Receive Property Tax Relief

- The typical homeowner in the district will see a property tax reduction of \$772
- That's a reduction of 66%

#### A Drilling Tax Would Raise Millions in New Revenue for Schools and Other Needs

- \$5.3 million for the district
- \$1.08 billion statewide

#### Gov. Wolf's Proposed Minimum Wage Increase Would Raise the Wages of

- 6,206 workers in the district
- That's 25% of district workers

#### Colleges and Universities With Campuses in the District Would Also Receive New Funding

- \$725,517 in new funding for Luzerne County Community College

#### The Budget and Leveraged Federal Funds Would Also Support Investments in Human Services in the District<sup>1</sup>

- Human services funding increase of \$40,385<sup>2</sup>
- 1,232 individuals newly eligible under Medicaid
- 84 more children will receive health coverage under CHIP
- Increased funding for mental health services of \$346,327

### Notes.

<sup>1</sup>All the figures in this section represent the sum of county totals for any county covered in part or in whole by Rep. Gerald Mullery's district.

<sup>2</sup>Human services is defined here as the sum of the funding increase for the human services development fund and homeless assistance.

<sup>3</sup>The total and percent reduction in property taxes for Rep. Gerald Mullery's legislative district are a weighted average of the property tax reductions for each school district. The weights were determined by the number of homesteads in each school district.
