### How Gov. Wolf's Proposed 2015-16 Budget Would Impact Rep. Nick Kotik's District

After four years of austerity budgets that made deep cuts to public services, public schools are struggling, property taxes are rising, and Pennsylvania remains near the bottom of state rankings in job growth since 2011. Gov. Wolf has proposed a budget that reinvests in our future by restoring funding for education from pre-K to college and delivering property tax relief to homeowners.

#### School Districts in Rep. Nick Kotik's Legislative District Would Receive

- \$2 million in new funding
- 88 new Pre-K slots
- \$1 million in savings from standardized payments to cyber charters

#### Meanwhile, Homeowners Would Receive Property Tax Relief

- The typical homeowner in the district will see a property tax reduction of \$721
- That's a reduction of 37%

#### A Drilling Tax Would Raise Millions in New Revenue for Schools and Other Needs

- \$5.3 million for the district
- \$1.08 billion statewide

#### Gov. Wolf's Proposed Minimum Wage Increase Would Raise the Wages of

- 5,806 workers in the district
- That's 22% of district workers

#### Colleges and Universities With Campuses in the District Would Also Receive New Funding

- \$15 million in new funding for Pitt (statewide)

#### The Budget and Leveraged Federal Funds Would Also Support Investments in Human Services in the District<sup>1</sup>

- Human services funding increase of \$159,478<sup>2</sup>
- 948 individuals newly eligible under Medicaid
- 78 more children will receive health coverage under CHIP
- Increased funding for mental health services of \$3 million

### Notes.

<sup>1</sup>All the figures in this section represent the sum of county totals for any county covered in part or in whole by Rep. Nick Kotik's district.

<sup>2</sup>Human services is defined here as the sum of the funding increase for the human services development fund and homeless assistance.

<sup>3</sup>The total and percent reduction in property taxes for Rep. Nick Kotik's legislative district are a weighted average of the property tax reductions for each school district. The weights were determined by the number of homesteads in each school district.
