### How Gov. Wolf's Proposed 2015-16 Budget Would Impact Rep. Tim Mahoney's District

After four years of austerity budgets that made deep cuts to public services, public schools are struggling, property taxes are rising, and Pennsylvania remains near the bottom of state rankings in job growth since 2011. Gov. Wolf has proposed a budget that reinvests in our future by restoring funding for education from pre-K to college and delivering property tax relief to homeowners.

#### School Districts in Rep. Tim Mahoney's Legislative District Would Receive

- \$6 million in new funding
- 160 new Pre-K slots
- \$2 million in savings from standardized payments to cyber charters

#### Meanwhile, Homeowners Would Receive Property Tax Relief

- The typical homeowner in the district will see a property tax reduction of \$629
- That's a reduction of 82%

#### A Drilling Tax Would Raise Millions in New Revenue for Schools and Other Needs

- \$5.3 million for the district
- \$1.08 billion statewide

#### Gov. Wolf's Proposed Minimum Wage Increase Would Raise the Wages of

- 8,314 workers in the district
- That's 27% of district workers

#### The Budget and Leveraged Federal Funds Would Also Support Investments in Human Services in the District<sup>1</sup>

- Human services funding increase of \$31,439<sup>2</sup>
- 1,473 individuals newly eligible under Medicaid
- 100 more children will receive health coverage under CHIP
- Increased funding for mental health services of \$312,636
